

THE WONDER OF THE MOMENTS

This book is two gifts in one. All people involved in its creation are from CUC, including the artist and poet, M.D. Ramore. All proceeds have been graciously donated to our building project. It's a suitable gift for many occasions: Birthdays, Nourishment, Illness, special Thank You's, etc.

There's something in here for everyone: Nature Lovers – Family, Friends & Relationships – Meeting Challenging Moments—Moments of Spirit, Soul & Faith. Available in the office during the week. Cost is \$15.00.
